

# Stage Stop Cuisine

A Community Cookbook Project to benefit The Parker Task Force and The Parker Historical Society

## Cookbook Order Form Order Now for the Holidays! (The book is also available at many Parker-area businesses)

*Stage Stop Cuisine* has arrived! In addition to tasty recipes, the book will feature drawings and articles about Parker, Colorado area history. Local artists and writers graciously volunteered their time and talents for the historic renderings and articles. The recipes, from the community and beyond, were tested and nutritional values provided by local volunteer 'chefs' and dieticians.

85% of the proceeds from the cookbook will be given to the Parker Task Force/Food Bank, a non-profit that assists area residents in need and 15% to the Parker Area Historical Society for its new museum/classroom in Parker's Main-street Center.
